NEW GENERATION MATERIAL FOR PET BEDS

# 4D HYPERATMOS FIBER

Suitable for all kinds of pets, especially for old pets and those which have bone disease or need long-term care.

### **PRESSURE RELIEVED**

After pressing it 80,000 times, it still remains 95% of its thickness. Perfect in support and resilience.

### **BREATHABLE**

Eliminates any excess heat and moisture effectively, so the pets can maintain a comfortable body temperature while resting.

### **WASHABLE**

Easy to clean, so it allows frequent cleaning and only takes a minimal amount of time to dry.

### **HYPOALLERGENIC**

Prevents moisture inside, so it also keeps germs and dust-mites from growing.

ORTHOPEDIC PET BED

## LAZY BED

The U-shape design in the middle is considered to meet the nature of dogs. Unlike other orthopedic dog beds on the market, LIFEAPP Lazy Bed is designed to be comfortable but not too soft, whereas it provides a certain support.

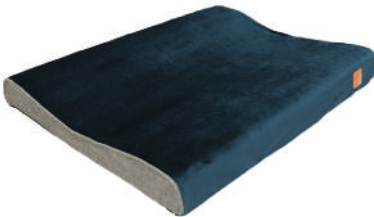

## U-Shape Design

There is a curve design in the middle which fits their spine. This design concept comes from the nature of dogs, since they like to walk around and dig before lying down.

## Non-slip base design

With this design, they will feel more safe to step on this bed.
